

## About 7 Dots Media

During this fast paced technological and modern world, it is becoming evident that we need to go back and rely on original and ancient techniques as practiced by people from past to bring peace and harmony today. 7 Dots Media is committed to bring forth this ancient secret knowledge and practices known to some people of present and past who practiced those with universal laws to help empower, evolve and innovate humankind.

With the power of media, this knowledge is delivered through provoking and dramatic commercial movies and documentaries, powerful guided meditations, webinars, educational classes/workshops/videos, . It is our goal to have powerful media products for people to use on their personal and professional journeys. This will lead people to connect to their inner dots and achieve higher states of consciousness to find the ultimate truths of life.
