

About IMCP

Through IMCP, the federal government is rewarding best practices – coordinating federal aid to support communities’ strong development plans and synchronizing grant programs across multiple departments and agencies. Non-designated communities nationwide can learn from the best practices employed by these designated communities to strengthen American manufacturing.

Investing in Manufacturing Communities Partnership (IMCP)

Description:

The Investing in Manufacturing Communities Partnership (IMCP) program is an initiative designed to revolutionize the way federal agencies leverage economic development funds. It encourages communities to develop comprehensive economic development strategies that will strengthen their competitive edge for attracting global manufacturer and supply chain investments.

Stakeholder(s):

Advanced Manufacturing National Program Office (AMNPO)
National Institute of Standards & Technology

U.S. Department of Commerce
Federal Agencies

Vision
