

About GTP

Our vision is that by inspiring and supporting a new generation of journalists at home and around the world we will be a part of restoring trust in journalism and repairing a media landscape ravaged by the challenging economics and the divisive impulses of the digital age. Along the way, we will serve a community — an audience thirsting for context and depth — by providing them with stories that shed light on the issues that matter most.

GTP Supporters :

Our work is made possible by a range of philanthropic partners who care deeply about the role journalism plays in advancing a free, open society for all people. GroundTruth donors include private companies, public foundations, family foundations, and everyday people who believe in the power of reporting on the ground. Here's who powers our work (organized by lifetime giving):
