

About Huzz Digital

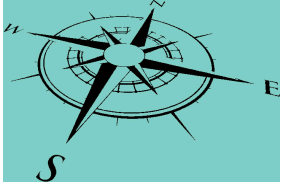

We Achieve Unbelievable Business Breakthroughs - Do you want to be one of them? Consumer behaviour saw the biggest shift since the inception of the internet and audiences across all demographics were forced to change habits and either convert to (or at the very least increase their reliance on) digital interactions for everything from basic shopping to entertainment and communication.

- 70 Billion still spent on TV advertisement
- 27 Billion only spent on Social Media
- 2 Hours spent viewing social media
- 1 Hour and 30 minutes spent on Tv viewing
