National Freedom of Information Coalition (NFOIC)

Vision

A better-informed and more trustful society and democracy.

Mission

To help establish, support and empower state coalitions in order to improve the laws, judicial remedies, and practice of government information dissemination at the state and local levels.

Values

- Transparency**
- Civic Engagement**
- Self-Governance**
- Public Journalism**
- Civic Information**
- Trustful Society**
- Democracy**

1. Impact

Strengthen coalition impact.

Provide services and resources to increase coalition sustainability and capacity.

1.1. Capacity

Increase capacity.

1.1.a. Grants & Funding

Increase pass-through grants and diversify funding.

Action: Develop/implement NFOIC fundraising plan by August 2019. Action: Endow annual coalition grants in perpetuity. Action: Acquire funding for a full-time director of partnerships by 2022.

1.1.b. Diversity

Expand diversity of the U.S. FOI community (gender, race, age, political/ideological, industry/field, etc.).

Action: Increase diversity of the NFOIC board. Action: Assist coalitions in diversifying their boards. Action: Create diversity scholarship program for FOI summit. Action: Develop diversity fellowship program for universities. Action: Explore “Data for America” program to assist coalitions.

1.1.c. Training

Offer more hands-on training for coalitions in fundraising, marketing, technology and management.

Action: Prepare practical hands-on workshops for 2020 summit. Action: Increase outreach training through new outreach coordinator. Action: Explore partnerships (Google, IRE, etc.) for coalition training. Action: Conduct new online training opportunities, including webinars.

1.2. Coordination & Communication

Improve coalition coordination and communication.

1.2.a. Membership

Clarify membership categories/dues.

Action: Update bylaws by fall 2020, clarifying membership categories.

1.2.b. Best Practices

Identify high-performing coalitions and best practices to replicate.

Action: Survey/study existing coalitions and summarize by fall 2019.

1.2.c. Communications

Improve communications among coalition leaders.

Action: Develop/implement communications plan by August 2019. Action: Explore e-newsletter jointly with Brehner and MuckRock. Action: Explore Slack, social media, webinars, or other methods.

1.2.d. Convention

Expand the summit to a broader national FOI convention.

Action: Discuss new partnerships for 2020 and 2021 summits.

1.3. Research

Produce actionable research.

1.3.a. Strategic Research

Produce strategic research useful to coalitions.

Action: Survey coalitions to identify priorities in research, then produce. Action: Continue FOI research contest; boost connectivity with scholars. Action: Explore ways of funding a scholarly research expert. Action: Work with coalitions to test and pilot FOI reform solutions.

1.3.b. Legislation

Provide coalitions legislative bill reports and monitor national trends.

Action: Collect and synthesize coalition legislative update reports. Action: Synthesize data from Quorum and provide to coalitions.

1.3.c. Resources

Provide helpful resources online for coalitions and the public.

Action: Reconstruct website, digitize appropriate resources.

2. Laws

Improve state and local open government laws.

Support coalitions in improving state and local public record and open meeting statutes and judicial recourse, understanding that each state is different and one size does not fit all.

2.1. FOI Laws

Aid coalitions in getting model FOI laws passed.

2.1.a. Elements & Issues

Research key elements of statutes and core FOI issues.

Action: Research core FOI issues (criminal justice, penalties, etc.). Action: Develop strategic partnerships (e.g., RCFP).

2.1.b. Records Laws

Draft model public records laws based on research/experts.

Action: Create model laws and provisions, based on interviews/surveys with experts and research, by end of 2020.

2.1.c. Partnerships

Work with partners (RCFP, press associations) to help coalitions proactively push for optimal FOI law (e.g., mandatory fee-shifting).

Action: Acquire grant funding to hire a state legislative coordinator (model after State Policy Network and SPLC New Voices).

Stakeholder(s):

RCFP

Press Associations

2.1.d. Training

Provide training for coalitions in educating lawmakers.

Action: Acquire funding to train coalition leaders in lawmaker education (e.g., provided at summit or through a paid consultant).

2.2. Education

Support coalitions in educating lawmakers to the importance of FOI.

Stakeholder(s):

Lawmakers

2.2.a. National gatherings

Attend key national gatherings of lawmakers to present information.

Action: Executive director and board identify key organizations that convene lawmakers, builds relationships and proposes session topics.

Stakeholder(s):

Lawmakers

2.2.b. Exposure

Expose state lawmakers to NFOIC resources and their coalitions.

Action: State policy coordinator creates and distributes materials.

Stakeholder(s):

State Lawmakers

2.2.c. Institute/Academies

Develop "Aspen Institute" or FOI academies to educate lawmakers.

Action: Apply for grant funding and develop partnerships.

Stakeholder(s):

Lawmakers

2.3. Transparency

Increase public support for government transparency.

2.3.a. Materials

Develop materials to help coalitions communicate FOI to the public.

Action: Gather research and synthesize take-aways into a FOI PR toolkit for coalitions and journalism organizations.

2.3.b. Training

Provide national online training for citizens and journalists in FOI.

Action: Acquire grant funding to develop online training in FOI for the public and journalists (e.g., MOOCs and for-pay certification training).

Stakeholder(s):

Citizens

Journalists

2.3.c. Sunshine Week

Improve Sunshine Week.

Action: Meet with RCFP, NLA and AP to boost Sunshine Week’s impact.

Stakeholder(s):

RCFP

AP

NLA

2.3.d. Staffing

Hire a staff member to lead public education.

Action: Acquire grant funding to hire a professional to lead public education, communications, and FOI curriculum development.

2.4. Judicial Recourse

Support efforts to improve judicial recourse for upholding FOI laws.

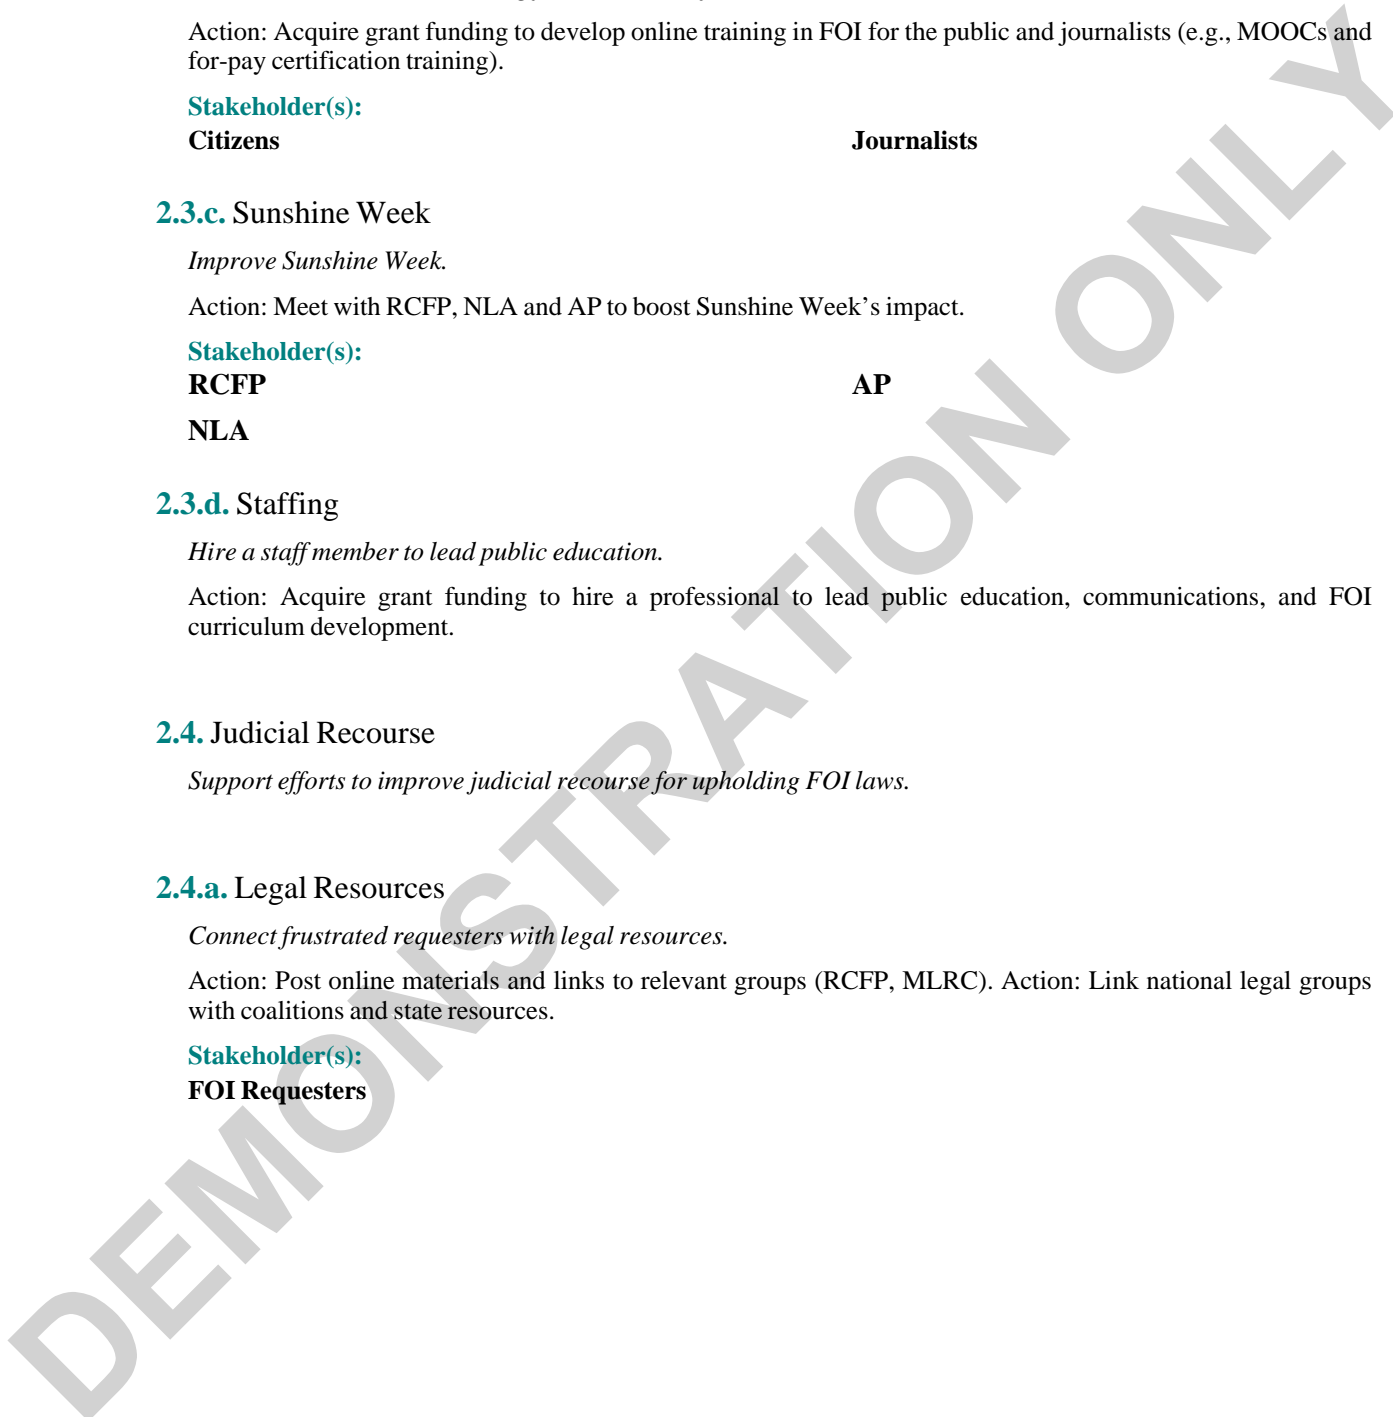

2.4.a. Legal Resources

Connect frustrated requesters with legal resources.

Action: Post online materials and links to relevant groups (RCFP, MLRC). Action: Link national legal groups with coalitions and state resources.

Stakeholder(s):

FOI Requesters

2.4.b. Mediation & Ombudspersons

Identify and promote effective alternatives to litigation.

Action: Work with mediation and ombudsperson offices.

Stakeholder(s):

Mediation Offices

Ombudsperson Offices

DEMONSTRATION ONLY

3. Transparency

Enhance governmental transparency practices.

Help coalitions improve government information dissemination in all branches of state and local government.

3.1. Coordination

Increase coordination of model agency practices.

3.1.a. Coordinator

Hire a model agency practices coordinator to lead efforts.

Action: Acquire grant funding to hire a coordinator.

3.2. Identification & Promotion

Identify and promote effective FOI practices

2.2.a. Processes

Identify effective processes of government FOI implementation.

Action: Examine various models and research about effective FOI implementation at the city and state level (e.g., portals).

2.2.b. Relationships

Build relationships with executive organizations.

Action: Executive director identifies relevant groups and develops relationships, such as associations of governors and majors, and record custodians.

2.2.c. Improvement/Enactment

Work with states and members to improve/enact FOI practices.

Action: Identify low-hanging fruit states and embark on campaign to implement good information dissemination practices.

3.3. Education

Educate record custodians.

Stakeholder(s):

Record Custodians

3.3.a. Materials & Communications

Develop communications and materials for executive branch officers and those subject to public record laws.

Action: States execution coordinator develops information and disseminates to executive/agency outlets (conferences, organizations, directly). Action: Commission study of the costs of FOI administration (and tax savings through efficient proactive posting of data). The dollars and sense of transparency.

Stakeholder(s):

Executive Branch Officers

3.3.b. Relationships

Build relationships with national organizations of state & local officials.

Action: Executive director identifies relevant groups and develops relationships.

Stakeholder(s):

National Organizations of State & Local Officials

3.3.c. Training

Create training program for record custodians (online)

Action: Coordinator creates, in conjunction with experts and others (grant funded).

Stakeholder(s):

Record Custodians
