How We Support Founders (Hint: it goes beyond just investment) Stand Together Ventures Lab supports each start-up and its unique needs to build on successes and create lasting change.

1. Funding

Fund early-stage ventures.

WE INVEST ~ We fund early-stage ventures from pre-seed through Series A and give them the right financial resources to help founders build a solid foundation for success.

Stakeholder(s):

Early-Stage Ventures

2. Commitment

Remove barriers that keep society from moving forward.

WE ARE COMMITTED ~ Change takes time. We are patient and committed to teams that are working to remove barriers that keep society from moving forward, understanding that results don't happen overnight.

3. Expertise

Provide access to social industry experts to refine and amplify game changing ideas.

WE PROVIDE ACCESS ~ Through our community of philanthropic organizations and network of partners, we provide early-stage start-ups with access to social industry experts to refine and amplify game changing ideas.

Stakeholder(s):

Early-Stage Start-Ups

Social Industry Experts

4. Operations & Structures

Tailor support to meet the needs of operational and team structures.

WE ARE ENTREPRENURIAL ~ By leveraging our network of business leaders, we can tailor our support to meet the needs of your operational and team structure.
